CORRIGENDUM

Corrigendum to Sng L-H, Peh JWL, Kee MTL, Ya'akob NBM, Ong RT-H, Wong CW, Chee CBE, Wang YT. Clofazimine drug susceptibility testing for *Mycobacterium tuberculosis*: the case of using the right diluent. *Pathology* 2018; 50: 549–53

There was an error in the first sentence of the Discussion on page 551. The sentence should have read: We found that DMSO, instead of distilled water, is the appropriate diluent for clofazimine DST.
